Japanese Rice Lager

Brewed in collaboration with our friends from The Outskirts Brewing Company, this Japanese-style lager is light, easygoing, and a true reflection of both breweries.

A blend of rice, noble hops, and extended conditioning creates delicate floral and grain aromas, finishing with exceptional crispness that pairs well with any adventure, any day.

Experimental Series

A rotating, experimental series inspired by styles and flavors that live off the beaten path. Every batch showcases something new: a brewing method, an emerging ingredient, or a bold idea. The possibilities are endless – but the batches aren't.

Don't miss your chance to try each exciting release.
